Dear [REDACTED]

**Official Information request [REDACTED] 190919**

Thank you for your 19 September email about Radio Spectrum use. You asked under section 12 of the OIA:

1. *Any briefings, policies or other information developed within your agency or information of projects funded thereto by your agency regarding radio spectrum use since 1 January 2019.*

This letter confirms that the Health Quality & Safety Commission has no involvement with Radio Spectrum, and has neither provided any briefings, policies or other information, or developed projects funded for Radio Spectrum.

You have the right, by way of complaint under section 28(3) of the Official Information Act 1982 to the Ombudsman, to seek an investigation and review of the Commission's decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or 0800 802-602.

Ngā mihi

Janice Wilson (Dr)  
**Chief Executive**
