

### Learning from Adverse Events | 1 July 2017 to 30 June 2018 | What are the individual DHB figures?

This table shows events reported annually by DHBs since 2015-2016. DHBs are steadily improving their reporting systems and more events are being reported and reviewed each year. It is not valid to compare the figures of different DHBs for a number of reasons, including widely varying population bases.

DHB adverse event numbers were correct at the time of data analysis for this report. There may be some variation in numbers included in this report compared with DHB data. This may relate to timing of reporting or reclassification following review.
